Many thanks to Melissa De Matos and Brian Borg for babysitting Prada whilst the "Big Move" was underway. Watersedge Nina Ricci is now home.

### **February 12th**

Ch. Fidelis Haltiatar (Imp FIN) (Taru) is celebrating her birthday today. Taru is my most special gift from Finland and she is just still so adorable. Happy Birthday Trudi!

### **February 10th**

Ch. Watersedge Sweet Melody (Melody) from my 3rd litter of Australian Kelpies has her wings.

Melody had battled a rather aggressive form of Squamous Cell Carcinoma which had first surfaced in her throat. She had surgery last September and December but the aggressiveness of this tumour has hastened her to the Rainbow Bridge.

Melody was one of the original twins retained by Watersedge from the mating between Grand Ch. Ringbarka Ginger Meggs (Ginger Meggs) and Tarndrew Watch My Style (Dani). Melody and her sister Ch. Watersedge Star Dust (Dusty) have always been with me. I am glad that Melody survived long enough to see her new home. She spent the nights sleeping by my bedside. I don't know if it will be me or Dusty who will miss her the most.

Vale Ch. Watersedge Sweet Melody 09/03/1998 - 10/02/20012.
