### **November 18th**

Only our second show out in months and also not a bad day of showing.

Toujour Amour Prince Aladdin (Aladdin) showed like a little trouper and was given a serious look in Sweepstakes. I think he has the attitude.

Our Finnish Lapphunds; Watersedge Under SouthernCross (Sven) was awarded Best of Breed - his first - and Watersedge Nina Ricci (Prada) Runner up to Best of Breed.

Our Australian Kelpies Watersedge Maranoa (Marnie) was also awarded Best of Breed and her father Ch. Engleforest Jarrah (Jarrah) Runner up to Best of Breed.

### **November 17th**

Not a bad showing today at the Buladelah Show.

Our Finnish Lapphund Grand Ch. Watersedge Alias Aleks (IID FIN) (Aleksi) was placed 2nd in Veteran Sweepstakes and our Australian Kelpies Ch. Engleforest Jarrah (Jarrah) and his daughter Watersedge Maranoa (Marnie) placed 1st in Brace Sweeps.

Our Finnish Lapphunds; Toujour Amour Prince Aladdin (Aladdin) had his first show ever and didn't embarrass me to much with the highlight Watersedge Under SouthernCross (Sven) finally working out that he can run with his tail up in the ring and won his class!

Watersedge Nina Ricci (Prada) is bald as a badger but she did enjoy her day out.

Poor Possum (Watersedge When Worlds Collide)!

Another trip to the vet today as the abscess under her neck has not healed. She had to undergo exploratory surgery to ascertain the cause. The Vet found a grass seed.

We have never had this happen before but apparently it is a fairly common occurrence in NSW. The irony is that we have little grass at the moment!
