

Finnish Lapphunds

A **litter** of **Finnish Lapphund** puppies for [Ch. Watersedge Tru Destiny \(IID\)](finnish-lapphund/25-female/24-ch-watersedge-tru-destiny-iid-ht.html), expected Anzac Day 2009 has ended in tragedy. For those who had expressed an interest in adopting a puppy from this litter, our condolences to you as well. Watersedge will be looking forward to a repeat litter with Jaana early in **2010**.
Born 24/06/2009, we are pleased to announce a **litter** of **Finnish Lapphunds** in collaboration with Janoby Kennels. This litter, from [Ch. Janoby All About Aura](finnish-lapphund/25-female/80-ch-janoby-all-about-aura.html) and sired by [Grand Ch. Watersedge Alias Aleksi \(IID\)](finnish-lapphund/24-male/15-grand-ch-watersedge-alias-aleksi-iid.html) has produced seven adorable puppies - 3 males, 4 females; 1 cream male and 1 cream female, 2 black & tan males and 3 black and tan females.

All of the puppies from this litter have gone to their respective homes. [Watersedge All About Attitude](finnish-lapphund/25-female/85-watersedge-all-about-attitude.html) has been retained by Watersedge for the future development of the breed.

[Ch. Theldaroy KissMe It's Ezy \(IID\)](gallery.html?func=viewcategory&catid=54) surprised us with a litter of **Finnish Lapphund** puppies born 18/10/09. Elke has produced 5 beautiful puppies to [Grand Ch. Watersedge Alias Aleksi \(IID\)](finnish-lapphund/24-male/15-grand-ch-watersedge-alias-aleksi-iid.html). We have 2 females and 3 males - all varying degrees of black & tan in colouring.

Puppies from this litter have all gone to their new homes. Whilst most will be family companions, it is anticipated that the 2 girls will either make their mark in the Show or Obedience/Agility arenas. Best of luck!
